

WINES CA' DEL BORGO

IDEALE ROSSO

Appellation Rosso IGT Trevenezie.

Grape variety 1/3 Refosco dal Peduncolo Rosso, 1/3 Cabernet, 1/3 Merlot.

The Vineyards Located in the property of Villa Vicentina, close to the cellar. Clayish soil. The average age of the plants is about 20 years.

The harvest Mid of September.

The vinification After the harvest, the destemmed grapes follow 6 to 8 days of fermentation process with skin contact at a controlled temperature. The separation of the skins takes place thanks to a soft pressing. The wine, decanted several times, remains for a few months in stainless steel tanks in order to reach its best finesse and harmonious characteristics.

The colour Intense ruby with distinctly violet reflections.

The bouquet Rich in pleasant hints, fresh and herbaceous notes typical for these grape varieties.

The palate Reflects the same sensations found on the nose, fresh, fruity and well balanced thanks to the pleasant roundness, typical for these grape varieties.

Food pairings Ideal for all occasions, from appetizers to main courses. Serve at 16-18 °C.

Longevity Preferably to be enjoyed young.
